

A good choice from A to Z.

Fountain pen Wavy for beginners

Made in Germany

Schneider  Write it

Attention!

Wavy is the latest addition to the Schneider fountain pen family. It radiates in four bright colours and is equipped with a pressure-resistant stainless steel nib for beginners - for effortless fluid and comfortable writing sensation. The ergonomically rubberised grip profile supports the correct and fatigue-free writing position right from the beginning. The non-slip, universal soft-grip zone with large finger surfaces prevents pressure points and is suitable for both right- and left-handed users. What's more, Wavy is manufactured climate-neutrally - and made in Germany, of course!

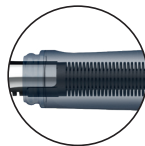

Curious now? Then you've come to the right place!

At a glance

Cap fits neatly on the end of the barrel

Sturdy metal clip that takes (almost) everything

Patented ink regulator for even ink flow without blotting

Refillable with standard ink cartridges

Pressure-resistant stainless steel nib with iridium tip A – especially for beginners

Ergonomically rubberised grip profile equally suitable for right- and left-handers to support the correct and fatigue-free writing position right from the beginning.

With climate-neutral production we support certified climate protection projects worldwide!

Available in 4 bright colours

green

blue

A good choice from A to Z, also for the **climate**

Produced climate-neutral with a clear conscience

Produced CO₂ neutrally

Unavoidable CO₂ emissions generated during the production of Wavy are offset by supporting a certified climate protection project:

We support certified climate protection projects...

such as the construction of PV solar modules in India or a wind farm in the Philippines, and thereby produce renewable energy for millions of people!

...and the reduction of plastic waste in the oceans

by collecting rubbish in Haiti, Indonesia and the Philippines, in cooperation with Plastic Bank.
